**Total Time**      About 1 hour

**Rating**      ★ ★ ★ ★ ★ (5,302)

This dish is inspired by a roasted carrot antipasto served at the now [Oliveto Cafe](#) in Oakland, Calif. The oven-roasted carrots are tossed with lots of parsley and thyme, which offset the sweetness of the carrots. This recipe makes a soft and tender carrot in about 30 minutes in the oven, but if you like browned and caramelized edges, roast uncovered for all, or part, of the cooking time. Discover more ideas for the big day in our best [Thanksgiving recipes collection](#).

---

## INGREDIENTS

**Yield:** Serves six

2 pounds carrots  
1 teaspoon fresh thyme leaves  
3 tablespoons extra virgin olive oil  
Salt  
freshly ground pepper  
½ teaspoon dried oregano  
3 tablespoons finely chopped flat-leaf parsley

---

## PREPARATION

### Step 1

Heat the oven to 400 degrees. Meanwhile, peel the carrots and cut into 2-inch segments, then quarter or cut into sixths lengthwise depending on size. Chop the thyme.

### Step 2

Oil a sheet pan or a baking dish large enough to fit all of the carrots in a single layer. Place the carrots in a large bowl, and toss with the olive oil, salt, pepper, thyme and oregano. Spread in an even layer in the prepared pan or baking dish. Cover with foil, and place in the oven for 20 to 30 minutes. Uncover, and if the carrots are not yet tender, turn the heat down to 375 degrees and return to the oven for 5 to 10 more minutes. (For caramelized edges, roast uncovered for all, or part, of the cooking time.)

### Step 3

Add the parsley, stir gently, and taste and adjust salt and pepper. Serve hot, warm or at room temperature.

### TIP

*Advance preparation: These will keep for four to five days in the refrigerator.*
